

PREPARED FOR FORDHAM LAW SCHOOL

Structured Essay Practice for Your July *Retaker Cohort*.

SHEP is an essay practice platform for bar exam takers. Students write full essay responses under timed conditions and receive *rubric-scored feedback within 20 seconds*, scored across five dimensions modeled on NCBE grading guidelines. Students can practice with built-in prompts, upload questions from Themis or any authorized source, and work through targeted repair drills on rules they missed. Built by a **Fordham Law graduate** who passed the February 2026 UBE.

FIVE GRADING DIMENSIONS

Issue Spotting	Did the student identify the legal issues triggered by the facts?
Rule Statements	Are the rule statements accurate and properly structured?
Fact Application	Does the analysis tie specific facts to specific legal elements?
Organization	Is the essay structured with clear IRAC headers and logical flow?
Essay Polish	Would this essay read well to a bar grader spending 60 seconds on it?

WHAT YOUR STUDENTS GET

- Unlimited timed essay practice with instant rubric-scored feedback
- Issue-by-issue breakdown: what they spotted, what they missed
- Targeted **repair drills** on specific rules they need to review
- Upload questions from Themis, Barbri, or any authorized source
- PDF printouts of graded essays for review with advisors

WHAT YOUR OFFICE GETS

- **Admin dashboard:** who is practicing, how often, score trends
- Cohort-level progress monitoring and intervention signals
- End-of-cycle usage report
- 25-minute kickoff session for your students
- Direct line to the founding team for support

PARTNERSHIP OPTIONS

OPTION A

Site License

\$50/seat

Founding institutional partner rate.

For a cohort of 10: **\$500 total**.

Below standard institutional rate of \$75/seat. Fordham pays, students get free access.

OPTION B

Distribution Code

\$89/student

Fordham distributes code **FORDHAM26**.

Students pay individually (standard: \$229).

No cost to Fordham. No budget required. No procurement. Immediate.

Both options include **admin dashboard, usage reports, kickoff session, and support through July 28.**
